

# **Kristin Family & Friends Minutes Meeting 3/14**

**4 June 2014**

---

General welcome to all families, by Chairman Priscilla Collins and Peter Clague.

Priscilla reminded parents the next meeting on 24 June will be an official Afternoon Tea to farewell Peter Clague.

Guest speakers Middle School Principal, Adam Heath and Middle School Dean Carl Murray gave an informative talk about the Pasifika Project.

This project was launched in the Middle School several years ago and includes hands on support for Poutasi, a small village in Samoa devastated by the Tsumani.

Students are committed to supporting the rebuild of the school and the community services in the village by fundraising and collecting specific items which are then sorted here before being shipped up to Samoa. In the July holidays, a team of staff and students will be in Samoa to assist once again.

A list was handed out of goods required and parents are asked to circulate and support this project.

**Meeting Closed 9.00pm**
