

Kristin Family & Friends Minutes Meeting 5/14

4 August 2014

Welcome: Priscilla Collins

A group of parents welcomed local Albany Community Constable, (and ex Kristin student) Michelle Bluemel to a talk focused on cybersafety for children. It was an informative session, in particular, parents had a number of questions around the use of social media. The school's Global Citizenship policy was explained. More information on this topic is available from any senior staff member.

Meeting Closed 3.00pm
