

Sponsorship at Kristin School

Join the Programme

Introduction

Kristin is one of New Zealand's most highly respected and sought after Independent, co-educational schools. It provides education for students from Kindergarten to Year 13, over three schools, on one campus - Junior, Middle and Senior with a combined total of 1550 students. Kristin is located on a 20-hectare site within the growing northern fringe of Auckland; the school itself is set in park like grounds with outstanding facilities.

The School provides a well-balanced education that equips each student with the skills and values necessary to make a significant contribution to their society today, and in the future as mature adults. All students are given the scope and encouragement to succeed in their individual ways, within an atmosphere of supportive competition, where they are encouraged to strive for excellence in everything in which they are involved.

Kristin's excellent reputation has been built on its strong academic, sporting and cultural achievements; locally, nationally and internationally.

Sponsors, Partners and Supporters

We offer a number of opportunities for businesses to support the school, as sponsors, partners or supporters. Our programme enables us to tailor offers to suit both the school and the sponsor and opportunities are considered and developed on a case by case basis.

Minimum contributions apply and if appropriate, gift in kind will be considered.

School Sponsors \$25,000+pa

The opportunity to join other key partners in sponsoring our school comes with our commitment to ensure a mutually rewarding relationship for both parties. Whole School Sponsorship will assist the school with funding for capital projects and will support our Foundation Scholarship programme. The initial commitment is for three years with the right of renewal.

Our Partnership

Please consider the significant benefits associated with being part of our team and sharing in the successes and public profile of a leading Independent school such as ours. In addition to the above, we believe that your organisation will also benefit from intangibles such as:

- The opportunity to expand the links of a small group of successful, goal driven organisations
- Brand association with all the values linked to an Independent, co-educational community
- The direct contact with our pupils, their families and a rapidly growing, high socio economic local community
- Being part of innovative school based developments, which place Kristin among the leading Independent Schools in New Zealand
- Joining us in reaching our aim of producing confident achievers who will give positive national and international exposure to our school and its sponsors.
