## Other Costs

Additional costs are charged to the school account for incidental items such as co-curricular activities, outdoor education (camp) and IB Diploma exam fees. These costs are communicated to families before being charged to a school account.

The following fees are required to be paid in full by 30 November 2022

- Tuition fee for the whole year
- Homestay for the whole year
- Alumni Fee (entry year only)
- Activity and Development Contribution and Medical Insurance for the whole year

This will provide adequate time for the issue/renewal of Student Visas by the New Zealand Immigration Service. Student Visas must be presented to the Admissions Manager before International students can begin their studies at Kristin School.

Please note that the fees are not refundable within the first 12 months for international students who wish to transfer to domestic fees as a result of gaining permanent residence or a work permit during that period. In subsequent years of enrolment, both notice and evidence of the change of status must be sent to the Executive Principal a full term in advance before a change of fees can be granted to apply to the subsequent term.

Tuition Fee Protection: The Board has in place a policy which holds all pre-paid tuition fees in a reserve. At the beginning of each term, a quarter of the pre-paid tuition fees are transferred from the reserve to the school's income account. This policy enables the pre-paid portion of the fees to be readily identified at any time.
